Dairy & Feed Tech Expo – 2026

Introduction

Dairy & Feed Tech Expo 2026 is a focused, high-impact industry platform designed to accelerate growth, technology adoption, and business expansion in the dairy and livestock sector.

Over the years, Bharti Media & Events Pvt. Ltd. has successfully created industry-driven exhibitions that generate measurable business results. With deep sector understanding and strong industry networks, we bring together manufacturers, dairy plant owners, feed producers, technology providers, veterinarians, cooperative societies, FPOs, and progressive farmers under one dynamic business ecosystem.

The 2026 edition aims to be larger, more technology-focused, and commercially stronger creating a serious B2B environment where real transactions, dealership discussions, and partnerships take place.

Why This Exhibition Matters

India is the world's largest milk producer, and the demand for advanced dairy machinery, feed technology, automation, cold-chain solutions, animal health products, and modern breeding practices is growing rapidly.

Dairy & Feed Tech Expo 2026 is strategically positioned to connect:

- Dairy Machinery Manufacturers
- Feed & Nutrition Companies
- Milking & Processing Equipment Suppliers
- Cold Chain & Storage Solution Providers
- Veterinary & Animal Healthcare Brands
- Government Departments & Cooperatives
- Institutional Buyers & Dairy Entrepreneurs

This is not just a trade fair. It is a growth platform for India's dairy future.

The exhibition creates a direct bridge between innovation and implementation.

Advantages of Participation

Direct Buyer Access

Meet serious dairy entrepreneurs, plant owners, cooperatives, and high-volume buyers actively seeking solutions.

Dealer & Distributor Expansion

Build and strengthen your regional distribution network in a highly focused environment.

Live Demonstration Opportunity

Showcase machinery, feed solutions, automation systems, and product efficiency directly to decision-makers.

Strong Institutional Engagement

Interact with government representatives, dairy federations, and financial institutions.

Immediate Lead Generation

Experience high-quality inquiries that convert into real business.

Brand Authority Positioning

Establish your company as a serious and trusted player in the dairy ecosystem.

What Makes this Edition Difference

Strong Pre-Event Promotion Targeting Dairy Clusters
Focused Visitor Mobilization from Dairy Belts
Structured B2B Networking
On-Ground Branding Visibility
Knowledge Sessions & Technical Interactions

Commerce & Industry Development Foundation. (CIDF) ensures professional execution, targeted marketing, and a result-driven approach -because we believe exhibitions must deliver business, not just footfall.

EXHIBITORS PROFILE

- Additives & premixes
- Ancillary equipments
- Ancillary-Boiler, Gear Box etc
- Ancillary-Solar Panels, Genset
- Animal Genetics
- Animal health technology
- Automation
- Automation Technology
- Boiler/Power generation technology
- Cheese manufacturing unit
- Cold Storage
- Drying technology
- Farm Management
- Feed & Feed Handling System
- Feed producer
- Feed production technology
- Forage harvesting technology
- Gearboxes/Transmission technology
- Ghee making machinery
- Hygiene & Sanitisation-CIP Unit, Crate Washer System etc
- Milling technology
- Packaging material & machinery
- Prefabricated Structures
- Quality testing equipments
- Refrigerated Trucks
- Refrigeration Equipment
- Silage production technology
- Storage technology
- Veterinary Product
- Waste management system
- Hydroponic technology
- Ice-cream making machinery
- Processing Unit-Storage Tank, Pasteuriser, Homogeniser, Heat Exchanger etc
- Ingredients
- Laboratory equipment
- Milking Machines

VISITORS PROFILE

- Agent/Retollers
- Breeders
- Consultants
- Co-operatives/Federations
- Dairy Co-operatives
- Dairy Farmers
- Dairy, Poultry and Aqua Farmers
- Feed Industry Professionals
- Feed millers
- Feed traders and distributors
- Integrators
- Milk Processors
- Other Dairy Professionals
- Packaging Industry Professionals
- Policy makers
- Scientist Research Associates
- Supply Chain Solution Providers
- Trade association
- Traders/Distributor
- Value Added Product Manufacturers
- Veterinarians
